1. In November 1950, firing with different kinds of weapons was practiced at the Sakalaz (R 16/T 31) firing range, 10 km west of Timisoara (R 16/T 91) in connection with eight trainers, stationed at the Timisoara-Mosnita airfield. *
- 25X1A * Comment. To date, the field has not been known to be occupied by a military unit. Air force artillery observers are apparently trained during the flights observed. According to Rumanian press reports of May 1950, the field is to be speedily improved.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 10 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
